Offerings Were Not Enough to Make a Market.

The supply of hogs yesterday was the lightest in many days. The market could be best described by saying there wasn't any. There was not hogs enough to interest the buyers. They so taround and walted and hoped for something to strive but the offerings weer too light to make a market. Only one car load is reported and they were sold late the night before and delivered yesterday.

NEWS Test For Yourself The Wonderful Curative Properties of Swamp-Root

To Prove What Swamp-Root, the World-Famous Kidney and Bladder Remedy, Will do for YOU, Every Reader of the Eagle May Have a Sample Bottle Free,

Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen-In justice to you, I feel it is my duty to send you an acknowledgement of the receipt of the sample bottle of Swamp-Root you so kindly sent me. I had been out of health for the past five years with kidney and bladder trouble. Had our best physicians prescribe for me. They would relieve me for the time being, but the old complaint would in a short time return again. I sent for a sample bottle of Swamp-Root, and I found it did me a world of good. Since then I have taken eight small bottles bought at my drug store, and I consider myself perfectly cured. It seemed as though my back would break in two after stooping. I do not have the smarting and irritation, nor do I have to get up during the night to uringte, as I formerly did three or four times a night, but now sleep the sleep of peace. My back is all right again, and in every way I am a new man. Two of my brother officers are still using Swamp-Root. They, like myself, cannot say too much in praise of it. It is a boon to mankind. We recommend it to all who are suffering from kidney and

Officers of the 58th Police Precinct, Greater New York. JOHN J. BODKIN. If you are sick or "feel badly," begin taking the famous new discovery. Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering with fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, festless sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel cutarrh of the bladder, pain or dull ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion stomach and liver trouble;

a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away. Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their

private practice, and is taken by doctors themselves, because they recognize in it the greatest and most successful remedy that science has ever been able to compound.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent.

and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root-Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. V., on every bottle.

EDITORIAL NOTICE.—Swamp-Root, the great Kidney, Liver and Bladder remedy, is so remarkably successful that a special arrangement has been made by which all of our readers who have not already tried it may have a sample bottle sent absolutely free by mail.
